Dear Sir or Madam,

My name is Beni Myers.

I am an aspiring model ready to start my professional modeling career. I have experience working in-studio as well as on location, I've worked with creative teams and I know would be a great candidate for any potential roles or gig that may be available at your agency/castings.

I have also been trained in acting, as well as attended Bella Modeling School.

For your convenience, I have attached my website below for your review.

Thank you so much for your consideration and allowing me the chance and opportunity to show you what i can do. I look forward to hearing from you.

Sincerely,

Beni Myers
